Packages

“Cap and Gown” - $2,000
Designed for Senior Year

Using a holistic approach, JTE will develop a catalog of ten (10) post-secondary institutions that are aligned with the student’s academic accomplishments, engagement in extra-curricular activities, entrance exam scores, affordability, and preference.

Assistance with the completion of five (5) college applications, which includes all essays, extra-curricular activities portfolio, resume, and support with completion of the Free Application for Federal Student Aid (FAFSA). Additional aid in identifying up to three (3) scholarship opportunities with assistance in completing each application.

Three (3) senior year meetings - either in person or virtual - to complete college and scholarship applications, in addition to reviewing student progress through matriculation of the school year. Meetings will also be used to prepare student for scheduled college tours and/or entrance interviews (where applicable).

Students will receive a year of follow up support to include one (1) virtual meeting each during the fall and spring semesters of the freshman year and advisement on course selection.

“Halfway There” - $3,000
Designed for Junior & Senior Years

Using a holistic approach, JTE will develop a catalog of ten (10) post-secondary institutions that are aligned with the student’s academic accomplishments, engagement in extra-curricular activities, entrance exam scores, affordability, and preference.

Beginning in junior year, students will receive advisement on course selection based on high school graduation requirements, strength of classes, and career interest. Support with college entrance exam scheduling and recommendations for extra-curricular activities, including summer enrichment programs.

Assistance with the completion of five (5) college applications, which includes all essays, extra-curricular activities portfolio, resume, and support with completion of the Free Application for Federal Student Aid (FAFSA). Additional aid with the identification of three (3) scholarship opportunities with assistance in completing each application.

Four (4) junior year meetings - either in person or virtual - to evaluate student progress through matriculation of the school year. Meetings will be used to consult with student regarding academic performance, college entrance exam scores, and actions needed to enhance the college application portfolio.

Four (4) senior year meetings - either in person or virtual - to complete college and scholarship applications, in addition to reviewing student progress through matriculation of the school year. Meetings will also be used to prepare student for scheduled college tours and/or entrance interviews (where applicable).

Students will receive a year of follow up support to include one (1) virtual meeting each during the fall and spring semesters of the freshman year and advisement on course selection.
“Expecting More – You’re a Sophomore” - $3,600
Designed for Sophomore through Senior Years

Using a holistic approach, our staff will develop a catalog of ten (10) post-secondary institutions that are aligned with the student’s academic accomplishments, engagement in extra-curricular activities, entrance exam scores, affordability, and preference.

Assistance with the completion of five (5) college applications, which includes all essays, extracurricular activities portfolio, resume, and support with completion of the Free Application for Federal Student Aid (FAFSA). Additional aid in identifying up to three (3) scholarship opportunities with assistance in completing each application.

Four (4) sophomore year meetings - either in person or virtual - to evaluate student progress through matriculation of the school year. Meetings will be used to consult with student regarding academic performance, high school course selection, recommendation and review of extracurricular activities (including summer), and development of a competitive college application portfolio.

Four (4) junior year meetings - either in person or virtual - to evaluate student progress through matriculation of the school year. Meetings will be used to consult with student regarding academic performance, college entrance exam scores, and actions needed to enhance the college application portfolio.

Three (3) senior year meetings – either in person or virtual - to complete college and scholarship applications, in addition to reviewing student progress through matriculation of the school year. Meetings will also be used to prepare student for scheduled college tours and/or entrance interviews (where applicable).

Students will receive a year of follow up support to include one (1) virtual meeting each during the fall and spring semesters of the freshman year and advisement on course selection.
